

Diagnóstico  
citológico de  
inflamação e  
infecção.  
Aplicação  
prática da  
citologia na  
patologia de pele  
e ouvido.

Carla Marrinhas

# Citologia em dermatologia

## Caso clínico 1

Cadela srđ 9 meses com lesões de alopecia peri-ocular

Técnica: Exame microscópico do pelo!

*Demodex spp*

# Citologia em dermatologia

# Citologia em dermatologia

# Outros

# Citologia em dermatologia

## Caso clínico 2

Cachorros com lesões circulares crostosas

Técnica: Exame microscópico do pêlo!

*Esporos de fungos*

êlo!

fungos

# Citologia em dermatologia

## Caso clínico 2

Cachorros com lesões circulares crostosas

Técnica: Citologia de Aposição com Fita-Cola

Macroconídeas  
*M. Gypseum* (DTM)

Esporos/hifas de fungos

# Citologia em dermatologia

## Caso clínico 2

Cachorros com lesões circulares crostosas

Técnica: Citologia de Aposição com Fita-Cola

Macroconídeas  
*M. Gypseum* (DTM)

Esporos/hifas de fungos

# Citologia em dermatologia

## Caso clínico 3

cadela pastor alemão 4 meses com prurido VIII/X e lesões crostosas nos cotovelos e face externa do pavilhão auricular

Técnica: Raspagem Cutânea Superficial!

# Citologia em dermatologia

## Caso clínico 3

cadela pastor alemão 4 meses com muito prurido e lesões crostosas nos cotovelos e face externa do pavilhão auricular

Técnica: **Aposição com Fita-Cola!**

*Pediculosis*

# Citologia em dermatologia

Técnica: **Aposição com Fita-Cola!**

# Citologia em dermatologia

## Caso clínico 4

Cadela pincher 6 meses com lesões de alopecia peri-ocular e na região do peito

Técnica: Raspagem Cutânea Profunda!

 Demodex spp

# Citologia em dermatologia

## Caso clínico 5

Cão macho, labrador 6 anos com dermatite atópica

# Citologia em dermatologia

## Caso clínico 5

Cão macho, labrador 6 anos com dermatite atópica

Técnica: Citologia por impressão direta

*Bactérias cocos*

# Citologia em dermatologia

ressão direta

# Citologia em dermatologia

## Caso clínico 5

Cão macho, labrador 6 anos com dermatite atópica

Técnica: Citologia por zaragatoa

*Malassezia spp*

# Citologia em dermatologia

## Outros

Técnica: Citologia por zaragatoa

# Citologia em dermatologia

## Caso clínico 5
